Support of this event changes the lives of the children, youth and families we serve.

Boys and Girls Clubs of Greater Vancouver has supported the physical, educational, and social development of young people and their families in the Lower Mainland of British Columbia since 1936. Our mission is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships, and develop confidence and skills for life. By offering positive, constructive alternatives to antisocial, unsupervised, street-based activities, BGCGV keeps kids on track and ultimately reduces crime – it is prevention in its truest form. We believe that a single positive role model can change a child's life, and provide opportunities for participants to experience success and a sense of belonging.

At our seven neighbourhood-based Clubs, professional staff and trained volunteers offer programs for children and youth during the critical out-of-school hours, focusing on physical and social recreation, arts and crafts, cultural activities, and leadership. We also offer a residential summer camp, substance abuse support services, and parent support programs.

How can we do all of this? ONLY with your help! The money raised through our Clubhouse Gala goes directly to our services and programs. .
