

Boys & Girls Clubs  
of Greater Vancouver  
A good place to be

Presented by

25<sup>th</sup> Anniversary  
**Boys and Girls Clubs of Greater Vancouver**  
**Legends of the Ball Golf Tournament**

August 23<sup>rd</sup> 2010  
Richmond Country Club

The past year was a challenge for everyone, especially the thousands of children, youth and families we serve on an annual basis. At Boys and Girls Clubs of Greater Vancouver (BGCGV), we know that when the economy suffers, the children and youth of working poor families, some plunged into poverty for the first time, suffer the most. Being able to respond to the increased need for our services has been and will continue to be, our number one priority.

We are excited to be celebrating Legends of the Ball Golf Tournament's 25<sup>th</sup> Anniversary this year and are hoping that we can count on you to take part in this milestone event! Support for this event has raised hundreds of thousands of dollars that have gone directly into supporting the most vulnerable in our community. We are looking forward to discussing your potential participation in this year's event to help us to make this a banner year! Part of any solid business is Community Investment, and you have demonstrated your commitment to that by supporting us in the past. We know that Community Investment and Sponsorships may be more challenging for you now. To keep you involved and to help you to maintain that important element in your business, we are willing to be creative when it comes to sponsorship of our tournament this year. The bottom line, of course, is that we need to raise funds. We will be in touch over the coming weeks to discuss in more detail.

***About BGCGV:***

Boys and Girls Clubs of Greater Vancouver has supported the physical, educational, and social development of young people and their families in the Lower Mainland of British Columbia since 1936. Our mission is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships, and develop confidence and skills for life. By offering positive, constructive alternatives to antisocial, unsupervised, street-based activities, BGCGV keeps kids on track and ultimately reduces crime – it is prevention in its truest form. We believe that a single positive role model can change a child's life, and provide opportunities for participants to experience success and a sense of belonging.

At our seven neighbourhood-based Clubs, professional staff and trained volunteers offer programs for children and youth during the critical out-of-school hours, focusing on physical and social recreation, arts and crafts, cultural activities, and leadership. We also offer a residential summer camp, substance abuse support services, and parent support programs.

How can we do all of this? ONLY with your help! The money raised through our annual golf tournament goes directly to our services and programs. Please help us support the children, youth and families in our community.
